

April 2011

To the Reader:

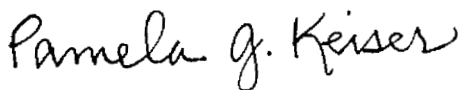

The following report presents the results of the extensive survey conducted by the Career Development Center to obtain information on the post-graduation activity of the Class of 2010. Statistics provided are based on information received from a questionnaire conducted at the annual cap and gown distribution each May. Those students who responded “still seeking” on the cap and gown survey received a mailing in September, and those who responded “still seeking” or didn’t respond to the September mailing received a follow-up mailing in November and were part of a telephone survey conducted in January/February. Through this extensive process, I am delighted to report that we received responses from 98 percent of the Class of 2010.

With such a strong response rate, the goal of this report is to highlight in detail the post-graduate activity of the Class of 2010. To that end, it is organized in the following manner:

- The Summary of Data (*p. 3*) provides a quick overview of all activity reported.
- The Employment Information section (*p. 5*) lists alphabetically by college the organizations where 2010 graduates accepted offers of employment. In addition, this section provides aggregate data on the locations and industries of these organizations, salary information, additional offers received and how positions were identified.
- The Graduate and Professional School Information section (*p. 17*) lists alphabetically by college the graduate and professional schools where 2010 graduates accepted offers of admission. In addition, this section provides aggregate data on the degrees sought and the fields of study pursued.
- The Breakdown by Academic Major Information section (*p. 25*) lists alphabetically by major the organizations where 2010 graduates accepted offers of employment, as well as mean salary information. A list of graduate schools where 2010 graduates accepted offers of admission, as well as scholarships/fellowships received follows. (*Please note: This data does include students who have declared two and three majors; which will cause the department figures to differ slightly from the overall report figures.*)

Finally, this report can also be found on the Career Development Center’s website, [www.bucknell.edu/CareerDevelopment](http://www.bucknell.edu/CareerDevelopment). I welcome your questions and comments about this survey. Permission for use of this information should be directed to the Career Development Center.

Sincerely,

Pamela G. Keiser

<b>Biomedical Engineering</b>	Cornell University	Biomedical Engineering	5
	Duke University	Engineering Management	
	Johns Hopkins University	Biomedical Engineering	
	Tufts University School of Medicine	M.D.	
	University of California, Davis	Ph.D.	
	University of Maryland Dental School	DMD	
	University of Virginia	Biomedical Engineering	
<b>Chemical Engineering</b>	Bucknell University	Chemical Engineering	2
	Ohio State University	Chemical Engineering	
	Rutgers University	Biomedical Engineering	
	University of California, San Diego	Bioengineering	
<b>Civil Engineering</b>	Bucknell University	Civil and Environmental Engineering	7
	Bucknell University	Geotechnical Engineering	
	Colorado University	Civil Engineering	
	Cornell University	Civil Engineering	
	Lehigh University	Structural Engineering	
	Northwestern University	Civil Engineering	
	Pennsylvania State University	Civil Engineering	
	Purdue University	Structural Engineering	
	University of Colorado at Boulder	Structural Engineering	
	University of Edinburgh	Carbon Management	
	University of Maryland	Math	
	University of Southern Florida	Civil Engineering	
	University of Wyoming	Civil Engineering	
Virginia Tech	Geotechnical Engineering		
<b>Computer Science &amp; Engineering</b>	Bucknell University	English	1
	Drexel University	Computer Science	
	University of Cincinnati	Electrical Engineering	
<b>Electrical Engineering</b>	Bucknell University	Electrical Engineering	0
<b>Mechanical Engineering</b>	Bucknell University	Mechanical Engineering	1
	Cornell University	Mechanical Engineering	
	Georgia Tech	Mechanical Engineering	
	Georgia Tech	Unknown	
	Lehigh University	Energy Systems	
	Northwestern University	Engineering Design Innovation	
	Pennsylvania State University	Mechanical Engineering	
	Stanford University	Mechanical Engineering	
University of South Florida	Civil Engineering
