

## A Message from the Senior Class President

Seniors,

What a year it has been! Living downtown, we have endured a never-ending winter, experienced a massive fire, and learned the joys of paying rent and utility bills. When these aspects of "real life" hit us, we got through them together. Through our off-campus experience, we rekindled old friendships and even made some new ones. Though we may not have been aware of it, we formed a community, a neighborhood—the Bull Run neighborhood. And even after we leave, our bond will remain strong.

Thank you for treating both your student neighbors and the year-round Lewisburg residents with respect and creating a community I am proud to call home. Best of luck in whichever direction life takes you, and remember that "downtown" will always refer to our little neighborhood, just across the street from Bucknell.

Sincerely,

Matt Hotard  
President, Class of 2011
