TIMELY NOTIFICATION BULLETIN

Possible Threat to the Community

"Your Right to Know"

November 29, 2011

In compliance with the "Timely Notice" provisions of the federal *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998*, the Department of Public Safety is giving notice of criminal activity that reportedly occurred on the campus of Bucknell University, Lewisburg, Pennsylvania.

Bucknell University Department of Public Safety is actively investigating a burglary that occurred over the Thanksgiving Break at 23 University Ave. The victim, a second-floor resident, reports that the window, with a fan inside, was closed but unsecure prior to leaving. Upon returning the residents found items missing with the fan placed on the floor.

REPORTED OFFENSE: Burglary, Title 18 § 3502; reported to have occurred between November 22, 2011 and November 27, 2011. The burglary occurred at 23 University Ave., an off-campus student housing facility of Bucknell University.

SUSPECT(S): Black Male; 5'10"; 160lbs with an athletic build; buzzed-cut hair, appearing roughly 18 years-of-age. Wearing a navy-colored hoodie and khaki cargo pants. Last seen in the area of South 6th & St. George Streets.

On Sunday, the victims friend observed the missing skateboard being ridden down the road by the suspect and confronted him, at which time the suspect fled on foot. It should be noted that the second floor room was possibly entered after the suspect had used the first-floor window to enter the house.

Until the investigation has been concluded it can be assumed that conditions continue to exist that may pose a threat to members and guests of the community. Please ensure that all windows are secure prior to leaving your residence or office. Pursuant to the Clery Act, it is the duty of the institution to warn of possible "dangerous conditions" on its property; an "affirmative duty" exists to warn of possible danger at the hands of some third party.
