*** For schools on a semester hour system, 4 semester hours are equivalent to 1.0 Bucknell course credits. Policy does, however, allow that 2 courses of only 3 semester hours may transfer as a full course credit. Transfer credit would be reduced to .75 credit for any 3 semester hour course taken thereafter. For schools on a 1/4 hour credit hour system, 6 quarter hours are equivalent to 1.0 Bucknell course credits. Policy does, however, allow that 2 courses of only 4.5 quarter hours may transfer as a full credit. Transfer credit would be reduced to .75 credit for any 4.5 quarter hour course taken thereafter.
