BUCKNELL CONFIDENTIAL
PHS/NIH FINANCIAL CONFLICT OF INTEREST (FCOI) DISCLOSURE FORM

By law (C.F.R. Part 50 Subpart F), all Investigators applying for and working on PHS/NIH funded research must disclose significant financial interests (SFIs) that are related to the Investigator’s institutional responsibilities. Investigators are ALL persons, regardless of title or position, who are responsible for the design, conduct, or reporting of research proposed for funding by the NIH, including collaborators or consultants.

In making this certification, all Investigators must disclose SFIs related to his/her institutional responsibilities, aggregated for the Investigator and those of the Investigator's spouse, domestic partner and dependent children. SFIs are defined below and all SFIs that meet the listed thresholds listed must be disclosed.

- **SFI In Publicly Traded Entities** – the value of remuneration in the 12 months preceding disclosure and the value of any equity interest as of the date of disclosure that, when aggregated, exceeds $5,000.
- **SFI In Non-Publicly Traded Entities** - the value of remuneration in the 12 months preceding disclosure exceeding $5,000; OR ANY equity interest in a non-publicly traded entity (e.g., stock option, or other ownership interest).
- **Intellectual Property** - (IP) rights and interests, upon receipt of income related to such rights and interests (EXCLUDING IP rights assigned to the Bucknell and agreements to share royalties related to such rights).
- **Reimbursed or Sponsored Travel** - ANY (and ALL) travel paid on behalf of the Investigator and not reimbursed directly to Investigator so that the exact monetary value may not be readily available (in the last 12 months). This does not include travel on sponsored projects if charged to a grant account, travel that is sponsored by a Federal, State, or local government agency, or service on advisory or review panels for government agencies or institutions of higher education (IHE) or facilities affiliated with IHEs.

An SFI does **NOT** include:

- Salary, royalties, or other remuneration paid by Bucknell to the Investigator, if the Investigator is currently employed or otherwise appointed by Bucknell, including income from IP rights assigned to Bucknell;
- Income from investment vehicles, such as mutual funds and retirement accounts, as long as the Investigator does not directly control the investment decisions made in these vehicles;
- Income from seminars, lectures, or teaching engagements sponsored by a Federal, state, or local government agency, an Institution of higher education as defined at 20 U.S.C. 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an institution of higher education; or
- Income from service on advisory committees or review panels for a federal, state, or local government agency, an institution of higher education as defined at 20 U.S.C. 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an institution of higher education.

Investigators MUST update Disclosures annually during PHS/NIH funded research and 30 days of discovering or acquiring a new disclosure.
