

Selected Religious Holidays and Celebrations 2009-2010

This calendar is compiled by the Office of the Chaplains and Religious Life at Bucknell University for the use of Bucknell faculty, staff and students for planning purposes. Holidays listed in **bold** type are those effecting the largest groups of our students. As per the April 6, 2004 vote of the faculty: "...faculty are expected to be mindful of potential conflicts with religious observances, and it is incumbent upon each individual faculty member to make reasonable accommodations when students observance of a religious holiday conflicts with an academic obligation." "Scheduling for other major University events and extracurricular activities should also be done mindfully of religious holidays, and schedule conflicts should be avoided whenever possible so that religiously observant students are able to participate." This calendar may contain errors due to the complexity of some religious calendars; please double-check dates before planning major events. Please send any corrections or suggestions to the Office of the Chaplains and Religious Life {craven@bucknell.edu}.
