The Christian Sevens.

The Christian Seven is, as the name indicates, a company of seven banded together for mutual helpfulness in the Christian life. Every member hands in one text of Scripture each week, and every day of the week one of these texts is adopted as the watch-word of the entire seven. Weekly meetings are held for special prayer and consultation on spiritual matters and in the interest of the Y. M. C. A.

The College Association has three such sevens.

Bucknell Volunteer Band

For Foreign Missions.

Motto: "The evangelization of the world in this generation."

The Student Volunteer Movement for Foreign Missions had its origin at the first Student Conference called by D. L. Moody at Northfield, Mass., in July, 1886. At that convention a small band of twenty-one young men was swelled to a company of one hundred, who declared their purpose to become foreign missionaries. Since that time, mainly through the efforts of Travelling Secretaries, the company of volunteers has increased to an army of more than seventy-five hundred (7,500) young men and women, about six hundred and fifty of whom are already on the field.

The Bucknell Band is a part of this great movement.
