

PARKING & TRAFFIC REGULATIONS

Bucknell University welcomes you, the motorist, on campus. Students, faculty, staff, and visitors who drive vehicles on campus will be responsible for proper registration, use, and operation of their vehicles in accordance with the traffic/parking regulations set forth by Bucknell and Pennsylvania state law. The University recognizes the use of motor vehicles as a convenience and it is not obligated to provide unlimited parking for all vehicles entering campus. It will, however, attempt to provide reasonable parking spaces for properly registered vehicles within the sites available. The Department of Public Safety has developed a website (also offered in print format) for the use of vehicles on campus, containing all traffic rules and regulations, as well as the campus parking map. The objective of these regulations are: to define parking areas and provide for their most effective use; limit all parking to within designated areas in order to control the smooth flow of traffic; and, to provide access to all roadways and parking lots by emergency vehicles at all times. To accomplish these objectives, cooperation of all motorists on campus is expected.

GENERAL RULES AND REGULATIONS

The University reserves the right to amend these regulations at any time in the future.

All University and contract employees, students, and campus visitors are required to obtain, review, and adhere to the campus parking rules and regulations.

All parking spaces on University property are by permit parking only.

Bucknell University does not guarantee parking will be available. All legal parking areas are posted. If an area is not posted or lined for parking, you may not park there. This includes parking in and around fraternity houses.

Responsibility of finding a legal parking space lies with the vehicle operator. A lack of a space where one would like to park is not a valid excuse for violating any parking regulation.

By bringing a vehicle on campus, the operator is agreeing to comply with the regulations of Bucknell University. Every vehicle must be registered with the Parking Division of Bucknell's Department of Public Safety. The vehicle must properly display a decal or temporary permit issued by the Parking Division. Request permits online at www.bucknell.edu/parking. ***Parking decals or visitor permits that are not displayed properly are not considered valid and will be ticketed.***

Students are eligible to receive a parking permit when they are in their sophomore, junior, or senior year providing there are no current restricting sanctions. First year students need not apply as they are not eligible.

Permit holders are responsible for all violations/fines incurred by a vehicle registered to them regardless of the vehicle's operator.

Guests to campus who wish to park on University properties may obtain permission from the Parking Division of Public Safety. Hosts are responsible for notifying their guests of the parking rules and regulations to ensure their compliance.

When a person sells, loses possession of a vehicle or loses vehicle privileges on campus the issued decal should be returned to the Parking Division. Notification to Public Safety is required for change of license plate or purchase of new vehicle.

Permits are for the registered vehicle only. It is not permissible to transfer permits from one vehicle to another without permission of the Parking Division. Permits are not to be sold. An individual may not register a vehicle for another individual.

2-wheeled transports, such as motorcycles, motor scooters, motorized bicycles, mopeds, or Segways must comply with all parking and traffic regulations; Violators are subject to fines.

The Department of Public Safety must be notified of all disabled motor vehicles. They are available 24 hours a day at, 577-3333. Portable battery chargers are available for sign out at Public Safety; ID is required.

The maximum speed on campus is 15 miles per hour. Parking lots require slower speeds.

Vehicles must yield to pedestrians. Failure to yield will result in a fine or loss of privileges on campus.

All vehicles must be parked within the 2 designated white lines provided. Only authorized handicap or service vehicles may park within the designated blue or green lines.

Students and employees are not permitted to park in visitor parking at any time.

15 minutes zones are monitored and tickets issued to violators. *(All ticketers use a chalk timer and photographic evidence log for violation tracking.)*

Lost or stolen decals must be reported immediately or you may be responsible for any tickets accrued for that decal.

TICKETING AND TICKET APPEALS

All tickets must be appealed online at www.bucknell.edu/parking.

Ticket appeals will be accepted online only, no later than 10 calendar days after the ticket is issued. Appeals received later than ten calendar days will not be accepted for review.

Habitual offenders, those with five or more paid or unpaid tickets, will be placed on an immobilization report and have their parking privileges revoked. You will be required to meet with the Parking Management Coordinator to discuss reinstating vehicle privileges and/or disciplinary action(s).

Bucknell does not issue permanent handicapped parking permits, and will only honor State issued handicap placards and plates.

If throughout the academic year you become medically in need of a State HP placard or plate please apply online at www.dmv.org. You will be given a temporary placard from the Parking Division for 10 days. If you are in possession of a State HP placard or plate you will be allowed to park in any valid HP space, if these are occupied you will be permitted to park in staff, student, 15 minute, or visitor parking areas.

Vehicles subject to towing at the owner's/operator's expense include but are not limited to:

- Those posing a danger to campus property and/or any individual.
- Those that have been abandoned.
- Those that interfere with emergency personnel's ability to effectively perform their duties.
- Those habitual offenders who have demonstrated a lack of concern and/or respect for Bucknell University officers and policies.
- Those who have reached the limit of five paid or unpaid parking tickets and have already been immobilized.

APPEALS

All fines must be paid at the Cashier's window on the first floor of Marts Hall within 10 days of the receipt of the violation unless the violation is appealed. All appeals must be submitted online by the person receiving the violation within 10 days of the receipt of the violation. No appeal will be accepted after 10 days. Non-registered vehicles are not able to appeal. All appeals are final.

Disciplinary actions imposed by the Department of Public Safety as a result of parking violations are not able to be appealed.

VIOLATIONS AND FINES

Vehicle operators apprehended operating a motor vehicle while under the influence of alcohol, in an unsafe manner or involved in major violations of University traffic regulations may have their parking and driving privileges suspended for one year or longer.

All violations accrued by any driver operating a motor vehicle will be charged to the registrant of that vehicle. Fines for successive violations increase according to a prescribed schedule, (with the exception of those marked inside this brochure with an *) — \$25 fines: 25/25/25/25/50/50; \$50 fines: 50/50/50/50/100/100, etc.

Visitors and non-University personnel who violate University or state parking or traffic laws are subject to civil action through the District Magistrate in Union County.

Please note that the illegal transfer of a parking permit and providing false parking or registration information are violations of the Student Code of Conduct.

NOTE: All parking areas are subject to sign restrictions where posted (*i.e.*, handicapped, service, 15 min. Staff only, loading zone, VISITORS ONLY, no parking, etc.).

NOTE: Moore Ave., Seventh St., Walker St., Loomis St., St. George St. and University Ave. are public streets on campus and, as such, available for visitor and all decal parking.

CAUTION: Certain locations on campus such as the Harris Hall parking lot and St. George Street may be prone to flooding during severe weather emergencies. Although the University makes every effort to notify the campus of such situations as soon as it learns about them, it is not always possible to accurately predict weather conditions or to predict when a severe weather emergency might affect any part of the campus. Staff and students are encouraged to monitor local weather alerts when such conditions are pending. The University will authorize the relocation of personnel and vehicles as appropriate in such situations.

University Liability

No liability is created by the granting of parking or vehicle operating privileges on property owned, leased or otherwise controlled by the University. The University assumes no responsibility for the care or protection of a vehicle or its contents while operated or parked on University property.
