Spring Term 2011-2012

Biology

BIOL 399 (Undergraduate Research), BIOL 660 (Graduate Research), and BIOL 680 (Graduate Thesis) - Students must speak with a faculty member personally to obtain permission, which, if granted, will be communicated via e-mail from the professor directly to the Registrar's Office.

Spring Term 2011-2012

Psychology

All 200 and 300 level Psychology courses give preference to Junior and Senior PSYC majors unless otherwise noted. Non-majors and underclass students should put themselves on the waitlist. <p>The Applied Research Methods Courses(289, 293, 294, 299) do not have to be taken along with their corresponding 200 level course(211, 204, 250, 252) They may be taken together with the 200 level course, or taken after the corresponding 200 level course has been taken. </p> PSYC 215 does not count as a MATH course
