

Summer Session Housing Application

Students requesting on-campus housing are required to file this application with the Office of Housing and Residential Life, 207 Elaine Langone Center, by no later than Friday, April 29. Summer session housing is provided June 12 through noon on July 23. A residence hall room assignment will not be made until an application is received. Room assignments are made based upon class year status and a random lottery of summer applications. **Applications will be assigned on a first-come, first-served basis as space permits.**
