FAMILY WEEKEND

The CAP Center chooses entertainment based on quality, cost, and availability. Each semester we bring a diverse array of performers to the Bucknell community. We encourage students to become active members and welcome comments on our programs. The CAP Center is located on the 3rd floor of the Langone Center (306). If you require information concerning the availability of any special accommodations or services for these events, please contact the CAP Center at 570-577-1217. We welcome all input, ideas, and suggestions. The Bucknell Weekends semester poster is made possible through the generous support of the Bucknell Student Government (BSG).
