

## ADVANCED PLACEMENT CREDIT AT BUCKNELL

*The Advanced Placement (AP) program allows students to begin college work at a higher level. Students receiving AP credits may enroll, as first-year students at Bucknell, in advanced courses in those subjects, or they may elect courses in other subjects. A student's performance on the AP tests will determine whether advanced placement and credit will be granted by Bucknell. Please note that AP credit cannot satisfy Bucknell's Learning Goals or Tools for Critical Engagement. For any course in which a student has earned both a satisfactory AP test score and college credit, transfer credit will be awarded only for the AP score or the college credit, not both.*

Examinations	AP Score for which Credit Is Granted	When Credit Granted, Number Credits Granted	Adjustments
Art: History Studio	3,4,5 3,4,5	1.0 1.0	
Biology	4,5	1.0	No lab credit
