Island Life® Ancient Greece

The Roman writer Cicero (106–43 B.C.) observed of Athens that “wherever you set your foot, you encounter some memory of the past”; the same can be said for all of Greece. Here, in the cradle of Western civilization, the legend of the lost paradise city of Atlantis lives on in Santorini, St. John the Apostle is believed to have penned the Book of Revelation on the island of Pátmos and glorious 14th- to 15th-century Orthodox monasteries were built atop the sandstone pinnacles of Meteora, a spectacular natural wonder. Experience firsthand the true character of Greece and the influence of prehistoric, Minoan, Mycenaean, Greco-Roman, Byzantine, Venetian and Ottoman civilizations across these captivating islands and classical sites, idyllic chora (countryside) and fabled coasts. Explore the well-preserved ruins of venerable palaces and forums; magnificent sites of early Christian faith; and the splendid architecture of columns, friezes and mosaics that exemplify the contributions of ancient Greek, Hellenistic and Roman civilizations that established our modern way of living.

- Immerse yourself in a carefully planned, balanced itinerary of included guided historical and cultural excursions and time on your own to experience the heart and soul of Greek island and coastal life.
- Explore the unparalleled ancient history, culture, architecture, art, language and cuisine of the Greek Islands during this exceptional odyssey.
- Envision the daily lives of ancient peoples as you walk through the ruins of Akrotiri, a Minoan city solidified in time more than three and a half millennia ago by a volcanic eruption.
- Engage with local Patmians, residents of Pátmos, during the ISLAND LIFE® FORUM where they will share their candid perspectives of life today on this ancient island.
- Learn key phrases and pronunciation of the Greek language to make your interactions with local residents all the more enjoyable.
- Enjoy time on your own—stroll the medieval fortress town of Rhodes, explore the pristine beauty of Pátmos or enjoy a spectacular afternoon sipping ouzo harbor-side in Mykonos’ Little Venice.

**Athens, Greece**

Birthplace of democracy and home to many of history’s greatest philosophers and poets from Socrates to Herodotus, Athens is unmatched in its contributions to early Western civilization.

**Volos for Meteora**

From the attractive port city of Volos, birthplace of legendary Jason, leader of the Argonauts, travel across the fertile Plain of Thessaly to the seldom-visited natural wonder of Meteora—Greek for “suspended in the air”—an extraordinary enigma of virtually uncharted Orthodox monasteries. This breathtaking UNESCO World Heritage site was constructed in the 14th and 15th centuries high atop soaring natural sandstone pinnacles where the early Christian traditions of these monasteries have continued uninterrupted for hundreds of years. Originally, the only access to these lofty peaks was by way of long ladders and baskets suspended on ropes. Visit one of the four active monasteries at the peak of these heavenly columns by way of modern roads overlooking verdant Peneas Valley, an impossibly majestic sight.

**Delos**

The mythical birthplace of Apollo and Artemis, Delos is today a UNESCO World Heritage site. It is considered to be one of the most sacred islands in the Greek world, as central to Grecian spiritual life as Olympia and Delphi. Walk along the Sacred Way to the Sanctuary of Apollo, a spectacularly rich archaeological site with remains of three separate temples from the fifth and sixth centuries B.C.

---

Once used to mill wheat, Mykonos’ iconic round windmills remain a testament to the economic prosperity that took place on the island between the 17th and 19th centuries.
Delos’ awe-inspiring ruins also showcase an entire district of Hellenistic and Roman-era houses and a 5500-seat theater (300 B.C.), the site of choral competitions during the quadrennial Delian festival.

See the magnificent Terrace of the Lions, where legendary marble statues guarded the island for nearly 2600 years.

Mykonos
According to ancient legend, the craggy hills and clefts of Mykonos were formed from the petrified bodies of giants defeated by Hercules. Mykonos’ iconic windmills, bright white, cube-shaped houses and azure bays epitomize the spectacular beauty of the Greek Isles.

CULTURAL ENRICHMENT: Enjoy an afternoon at leisure to explore Mykonos’ quaint, narrow streets lined with whitewashed buildings and picturesque windmills.

Pátmos
The small island of Pátmos and its Greek Orthodox Monastery of St. John, a UNESCO World Heritage site, loom large in the history of Christianity. Tour the monastery, built in 1088 and still inhabited by monks who continue to preserve it as a pilgrimage site and place of religious study. See the Cave of the Apocalypse, where St. John the Apostle of Ephesus very possibly wrote the Book of Revelation in A.D. 95.

CULTURAL ENRICHMENT: Meet local residents who will discuss contemporary daily life on these ancient islands during the specially arranged ISLAND LIFE® FORUM.

Rhodes
The island of Rhodes has been one of the most prosperous and strategic strongholds in the eastern Mediterranean since the Neolithic Period. Dock at the fortified wall of Rhodes Town, a UNESCO World Heritage site, and step into this extraordinarily well-preserved medieval city, built over a great Hellenistic metropolis and a major Christian outpost during the Crusades. Visit the splendid 14th-century Palace of the Grand Masters, built by the Knights of St. John and one of the only examples of Gothic architecture in all of Greece.

CULTURAL ENRICHMENT: Join the excursion to the ancient village of Lindos to see the magnificent frescoes adorning the Byzantine-style Church of Panagia and to ascend the stone stairs to the clifftop acropolis for breathtaking views of the medieval Castle of the Knights of St. John and the pristine beach below. Or, enjoy an afternoon at leisure in Rhodes to further explore its rich history, charming streets and medieval center.

Rethymnon for Knossos and Heraklion, Crete
One of the great legendary sites of all antiquity and Greek mythology is the extraordinary frescoed Palace of Minos at Knossos, built between 1700 and 1400 B.C. Sir Arthur Evans began excavations here in 1899 that lasted more than 20 years, uncovering countless archaeological treasures.

CULTURAL ENRICHMENTS: Tour the immense complex of chambers, corridors and courtyards at the Palace of Minos. In Heraklion, Crete’s lively capital, visit the Archaeological Museum, which exhibits a world-class collection of Minoan artifacts.

Santorini for Akrotiri
Be on deck as the ship cruises into the spectacular harbor at Santorini, a natural caldera, beneath which is believed by some to be the legendary lost city of Atlantis. A cable car descends to sea level from the elevated town of Fira, whose stunning white-walled buildings stand in stark contrast against the dark volcanic cliffs.

CULTURAL ENRICHMENT: Tour the phenomenal Bronze Age ruins of Akrotiri, recently reopened to visitors. Held intact by layers of pumice and ash for over 3500 years, Akrotiri’s streets reveal the architectural sophistication and advanced culture of its Minoan inhabitants.

St. John the Apostle is believed to have written the Book of Revelation in the Cave of the Apocalypse on Pátmos.

The iconic, 447 B.C. Parthenon is dedicated to the goddess Athena, the patron of the citizens of Athens.
