GENERAL COLLEGE ORDERS.

ATTENDANCE.

Only under exceptional circumstances will excuses be granted to leave College during term time. In such cases the examination on the studies gone over by the class, during a student’s absence, will be especially searching, and a high degree of attainment will be required. When a student is absent more than one fourth of the term for any reason, he is required to stand private examination in addition to the examination required of the class. One who is absent during the entire term must also necessarily lose his standing in his class. The work of the term begins on the day of opening, and recitations are expected at the first hour appointed for the meeting of the classes. The work continues uninterruptedly, with the exception of holidays marked in the Calendar, until the last day of the term.

STANDING.

Each instructor records, in numbers ranging from 0 to 10, the character of the recitation of every student reciting to him, and notes also any delinquency in conduct and attendance. The weekly summary of these markings is recorded in permanent books, and constitutes the basis for determining the standing of the student during his connection with the institution. For unexcused absences from recitations one tenth is deducted from the general term average for each absence. *Excused* absences have half the effect in lowering a student’s standing as unexcused absences, but a student may, at the option of the professor, do supplementary work to obviate the effect upon his standing of excused absences. At the close of each term an average of these marks is made out, and, if the student’s financial obligations to the institution have been met, a report of the scholarship, attendance, and conduct of each student is transmitted to his parent or guardian by the President. No student is advanced from one class to another whose average in any study is less than 7; nor is any student recommended to the Board of Trustees for graduation in the General Courses if his average standing during either his Freshman or Sophomore year is below 8; or if in his Junior year it is below
8.5; or if in his Senior year it is below 9. The passing grade for graduate students is 9. No one will be recommended for graduation in the Courses of Jurisprudence, Biology, Chemistry, and in Civil, Electrical, or Mechanical Engineering, nor be granted a certificate in the Law or Medical studies, if his average is below 9.

Conditioned students are not recommended to the Board of Trustees for promotion. Students conditioned on entrance must discharge such conditions within the first year thereafter.

If the student has failed in the studies of a term, he will not be permitted to enter upon the studies of a subsequent term until he has passed in the subjects in which he failed, unless a postponement of examination to a definite time is granted by the Faculty.

Appointments in the Graduating Class are made according to the aggregate standing of each member during his entire course. But in assigning these parts the Faculty takes into account the deportment of the student, as well as marks for recitations. The minimum average for an Oration of the First Class is fixed at 9, and for the Oration of the Second Class at 8.

Students who attain an average of 9.4 or more for their entire course are graduated *summa cum laude*; students who attain an average of 9.2 or more are graduated *magna cum laude*; those who attain an average of 9 or more are graduated *cum laude*.

EXAMINATIONS.

The dates of the examination are given in the Calendar. In case a student fails to be present at the examination of his class, for any justifiable reason, his examination will be held at such time as the Faculty may appoint, but in no case is an examination granted a student in advance of the time appointed for the examination of the class.

Unless for very good reasons to the contrary, a student who is granted a special examination will be required to pay a fee of five dollars therefor.

PUBLIC WORSHIP.

The College duties of each day are opened with religious services at Bucknell Hall, which all the students of the College are required to attend.

Attendance upon public worship in some church in town on Sunday morning is required. Students are required to attend the religious services held on Thanksgiving Day.
On the Day of Prayer for Colleges, a sermon is preached by the President, or by some one at his request. All the students are required to attend.

GOVERNMENT.

It is assumed that all who enter the courses of study in the College do so for the purpose of acquiring an education, not only of the intellect, but also of character. The Laws of the College, enacted by the Board of Trustees, are as few and simple as the proper regulation of a community of young men will permit. These are printed, and a copy is placed in the hands of every student at the beginning of each year. These laws must be observed, not only in their letter, but in their spirit. The atmosphere of the institution is not that of arbitrary restraint, but of reasonable conformity to reasonable laws. The College does not wish to place its stamp or bestow its honors upon any one who is not willing to deport himself as a gentleman. Each student is distinctly placed upon his manhood, and if he abuses his privileges, after reasonable caution, he must withdraw from the institution, at the request of the President.

PRESIDENT'S OFFICE HOURS.

The President of the University is in his office in the Main College building, every Tuesday, from 9.30 A.M. to 12 noon, to confer with students who may desire advice or assistance. Students are encouraged to communicate frankly with the President upon any subject in which he may be of help to them.

OFFICE HOURS FOR THE COLLEGE WOMEN.

The Dean of the Women's Department will meet in his office College women who may desire advice or assistance from him.

VOLUNTARY SOCIETIES.

The Young Men's Christian Association is formed of students of the College. It receives religious periodicals and corresponds with kindred societies. A hall has been appropriated to the Society, and has been suitably furnished for religious meetings.

The Young Women's Christian Association, a voluntary society open to the officers and students of the College and Institute, meets weekly. The regular Tuesday evening prayer meeting, missionary
and temperance work, special Bible Classes and College Settlement Work are in charge of this Association.

Eneplia; Theta Alpha. These are the two Literary Societies of the College for men. They hold meetings for Orations, Essays, and Debates. Each Society has a convenient hall, and by an arrangement of the Faculty will always have a nearly equal number of members.

The Zeta Literary Society is composed of young women admitted to any of the courses in the College.

The Students’ Publication Association is an organization which has in charge the issuing of the Bucknell Mirror. This periodical appears monthly during the collegiate year. The same Association publishes the Commencement News daily during Commencement week. Another association of students publishes, weekly, during the school year, the Orange and Blue.

The Athletic Association of the College has been formed to encourage and regulate athletic sports. Considerable liberty is allowed the Association in carrying out its purpose. The Association is not allowed, however, to arrange match games with other similar bodies without having secured the consent of the Faculty. Subject to the control of the Faculty, the general management of athletics is managed by an Executive Board, consisting of three members elected by the Faculty, two by the Alumni Association, and two by the Athletic Association of students.

No student who is deficient in rhetorical or classroom work in any term shall be eligible to the office of manager or director in any student organization, or to be a member of any exhibiting organization, or of any contesting athletic team, or of any publishing or editing board during any subsequent term until such deficiency is made up.

HEALTH AND PHYSICAL CULTURE.

The Tustin Gymnasium has been provided for the physical training and development of young men. Young women have opportunity for physical training in the Calisthenium of the Women’s College. These are now provided with the apparatus usually found in well-furnished gymnasmums. The Directors of the Gymnasium examine every student, taking and recording in a book his physical measurements, and prescribe such exercise as may be required for his physical development. Regular exercise in the Gymnasium is required of students during the winter term.
GENERAL INFORMATION.

ADVANTAGES.

The Bucknell Institute offers to young women superior educational advantages. Its location in a University town assures an atmosphere of study and the benefit of numerous literary exercises, lectures, and addresses. The students in the Institute have the use of the Library and apparatus of the Institute, and also of the College, Astronomical Observatory, Chemical Laboratory, Museum and Library, and the various apparatus of the University. An isolated school could not provide for itself these advantages at a cost of less than a quarter of a million dollars.

During the year 1905 about forty thousand dollars were expended in enlarging and improving the women's buildings.

ADMINISTRATIVE AND OTHER REGULATIONS.

1. The general control of the Women's College, Institute, and School of Music is vested in the President of the University.

2. The government of the Institute, subject to such control, rests with the Dean.

3. Young women, whether attending the College, Institute, or School of Music, are subject to the rules and regulations governing young women attending the Women's College.

RULES.

The laws governing the Women's College are enacted by the Board of Trustees and a copy is given to each student when she enters the Institution.

Any officer of the Institute becoming cognizant of violation of regulations by any pupil shall report the same to the Dean, who shall make a record of the fact in a book provided for the purpose. Any second violation by the same pupil shall be reported to the President of the University; and if, in the judgment of the President of the University and the Dean, the offense be of sufficient gravity, the parent or guardian of the offending pupil shall be notified.

Violations of the regulations of the Women's College or infractions of the laws of morality are punished by private reprimand, deprivation of privileges, or private withdrawal from the Institution.

Summary punishment may be inflicted whenever the interests of the Institution demand it.

THE INSTITUTE

Violations of the regulations of the Women's College or infrac-
tion of the laws of good conduct are punished by private reprimand,
deprivation of privileges, or private withdrawal from the Institu-
tion.

Summary punishment may be inflicted whenever the interests of
the Institution demand it.

PHYSICAL CULTURE.

The health of the students is made a prime object of attention,
and sanitary requirements are carefully observed. The Institute
Gymnasium is furnished with Indian clubs, dumb bells, wanda, rings,
hoops, guns, wall pulleys, parallel bars, etc., and classes in Physical
Culture are organized for the benefit of all students. The exercises
practiced are such as tend to develop grace and strength. The In-
stitute Campus of six acres furnishes facilities for exercises. Lawn
Tennis and other outdoor games are encouraged and exercise in the
open air is required.

Two hours a week in the Gymnasium during the winter term is
required for all resident students, Juniors and Seniors of college ex-
cepted. No student will be excused from the required exercise ex-
cept by order of the Director of Gymnastics. Special exercises are
prescribed for students needing individual corrective work.

Every student while exercising in the Gymnasium must wear a
gymnasium suit of the pattern prescribed by the Director.

TEACHERS' COURSE IN PHYSICAL CULTURE.

Swedish gymnastics, aesthetic gymnastics, light apparatus drill,
playground work and games are taught. Lectures on health and
hygiene are given throughout the year.

ÆSTHETIC CULTURE.

It is intended that the pupils of the Institute shall have the in-
fluence unconsciously received from painting, music, and refined sur-
roundings, as well as direct instruction in Literature, Music, and Art.
Special instruction in Music and Art is given in the schools devoted
to those subjects.
SOCIAL CULTURE.

Pupils are trained to observe the usages of good society. Meetings of various organizations for improvement in Literature, Music, and Art and receptions in charge of the pupils add variety to student life. No effort is spared to give the pupils the advantages of a cultured home. The purpose is to develop the social life of the Institution within itself. Students are not permitted, during term-time, to visit in neighboring towns. The number of social functions during the term is limited, and the consent of the Dean must be obtained for each function at least one month before it is to occur.

RELIGIOUS EDUCATION.

The Institute is distinctly Christian in its influence. Morning and evening Chapel in the Hall of the Institute building is attended by all students in the Institute Courses, special students, and women pursuing studies in the School of Music. College women living in the Institute attend evening Chapel.

Attendance upon Sabbath school and church services in town is required. All students have weekly recitations in Inductive Bible Study. The students have organized several classes for Scripture Study.

The Young Women's Christian Association, a voluntary society open to the officers and students of the Institute, meets weekly. The regular Tuesday evening prayer-meeting, missionary and temperance work, special Bible Classes, are in charge of this Association.

PRIZES.

1. The first Senior Essay Prize was awarded, 1915, to Elizabeth Ward Stephens.
2. The Senior Scholarship Prize was awarded, 1915, to Elizabeth Ward Stephens.

EXPENSES OF STUDENTS IN WOMEN'S COLLEGE.

1. Boarding Students. The regular charge for Boarding Students in College Courses and Domestic Science Course, is $225.00 per annum; the other expenses, spending money, books, and clothing, will vary with the individual student.
UNIVERSITY CALENDAR

1915.

SPRING RECESS.

Second Term Ends, ....................... Wednesday, March 17
