Thank you for your interest in the T.E.A.M. Peer Mentor Program at Bucknell University. In order to provide you with a better understanding of the role and expectations of a T.E.A.M. Peer Mentor, this job description has been provided.

The T.E.A.M. Peer Mentor Program focuses on three major areas of student life: Academic Achievement, Health and Wellness, and Student Development. Students who understand how these areas affect their lives have a better chance of success at Bucknell. The program's goal is to connect the scholars to every aspect of Bucknell University.

The T.E.A.M. Peer Mentor is critical to the development and success of the program. The success of the first-year scholars' academic and social adjustment depends, in part, on the quality of the T.E.A.M. staff, as well as the Office of Multicultural Student Services and the University community in its entirety.

To that end the T.E.A.M. Peer Mentor is expected to:

1. Attend the T.E.A.M Peer Mentor Program Leadership Training Seminars for 8-weeks in the spring term and the Pre-Program Orientation Retreat before fall classes start.

2. Establish a regular meeting schedule with scholars and attend all bi-weekly mentor check-ins. Mentors also submit bi-weekly mentor logs to program Co-Director(s).

3. Provide opportunities for you and your scholar to communicate openly about Bucknell University's student life.

4. Foster a personal interest in your assigned T.E.A.M scholar and involve the scholar in a manner that will help the scholar feel welcome, ease the transition into Bucknell and enable the scholar to engage with Bucknell's academic and campus life effectively.

5. Develop knowledge of Bucknell's resources for learning skills, emotional support and professional development, and refer students on an as needed basis.

6. Sign a confidentiality statement stating that all matters pertaining to student records (academic, judicial) will remain confidential.

7. Assist the T.E.A.M. Peer Mentor Program Staff with assistance and support as deemed necessary for the progress of the T.E.A.M. Peer Mentor Program.

8. Designation as a licensed campus driver is a plus! The T.E.A.M program may assist with the expenses of training interested drivers.
