

Dear Camper,

Welcome to Engineering Camp 2024, to be held June 23 - June 28 at Bucknell University. If you have any questions after reading this letter please email engineering.camp@bucknell.edu.

Arrival

Plan to arrive to campus on **Sunday, June 23, at 3:00 pm**. Registration will be located at the entrance to **McDonnell Hall**. (Any change in location or time will be communicated via email.) At registration you will be given a camper packet including group schedule, room key (for your dorm room) and swipe card (for meals and entering buildings). You will have about half an hour to get moved into your dorm room. Camp counselors will be there to help you. At 3:30 p.m. we will gather all students and their families to take a quick tour of campus, meet the staff, and answer any questions that you may have. At 4:00 pm it will be time for your family to leave, and you will have your first activities with the counselors and other campers. Instructional sessions begin Sunday evening after dinner.

Camp

From Monday to Friday, you will be getting up early (~7 a.m.), eating breakfast at the 'caf' (7:30-8:30 a.m.), going to class/laboratory sessions from 8:30 a.m. to noon, having lunch (at the caf, noon-1 p.m.), and class/laboratory sessions in the afternoon (1-4:30 p.m.). From 4:30-6 p.m. every day your counselors will have activities planned. Each evening there will be dinner, programming and activities.

Departure

On **Friday, June 28**, you will receive specific checkout instructions during the morning meeting. At noon it will be time to say goodbye to the staff and your fellow campers. Before departing, you will complete a survey, return your room key and swipe card, sign out, and check that you have not forgotten anything. Departures will take place from McDonnell Hall, in the same location as check-in.

Getting to Bucknell

Driving. Bucknell University is located just off Route 15 in Lewisburg, PA.

Flying. We recommend flying to Harrisburg (MDT), Baltimore (BWI) or Newark (EWR) airports. We have chaperoned camp shuttles that pick-up and drop-off at these locations.

Shuttle Services. Shuttles go to Harrisburg (MDT) Airport, Baltimore (BWI) Airport, Newark (EWR) Airport, and New Castle, Delaware. If you are interested in using one of these shuttle services, please indicate so on your acceptance form and you will be contacted. Campers departing campus via shuttle will be provided a bagged lunch.

Tuition & Payment

2024 Program Cost, residential camper: **\$1,250.00**. If you are a commuter camper (no housing or breakfast), or you cannot attend all days of camp, please contact engineering.camp@bucknell.edu. Fees include tuition, laboratory and classroom supplies, housing, all meals, t-shirt, and camp bag. You may make payment on the online site sent to you via email. Checks payable to **Bucknell University** will be accepted for tuition. The registration form sent to you via email should be completed to secure your spot in the camp. Because we typically have a wait-list, **any spot not claimed by May 1 may be forfeited**. All tuition should be paid before June 15. Please do not send correspondence through the mail after June 15. Any tuition remaining unpaid after June 15 must be paid by check (preferred) or cash in person at the time of registration.

Will financial aid be available?

Need-based financial assistance is available for those who qualify. If you would like to be considered for financial aid, please complete the [Financial Aid Application](#). Your assessed tuition information will then be emailed separately at a later date.

Dining at Bucknell

[Bostwick Cafeteria](#) provides a variety of meal options and caters to individual [dietary needs](#).

What are the dorms like?

[McDonnell Hall](#) is a typical first-year dormitory: fully air-conditioned, two beds in each room, and shared bathrooms. Campers will have a roommate.

Who will be my roommate?

Roommates will be assigned based on gender and age. If you know someone also attending camp whom you would like to have as your roommate, please indicate that on your acceptance form.

What to Bring

- Flip-flops for the shower, shower caddy, soap, toothpaste, toothbrush, shampoo, deodorant and other toiletries
- Towels (for showers and pool) and washcloths; a bathrobe is recommended
- Linens for extra-long twin bed
 - A Sheet Set (flat, fitted, and pillowcase plus 2 body towels, 1 hand towel and 1 washcloth) or Deluxe Sheet set (Sheet Set plus pillow and blanket) can be rented by indicating your preference on the acceptance form.
- Pillow, comforter, blanket, or sleeping bag, if desired
- Water bottle and travel mug (if you are a coffee or tea drinker)
- Umbrella
- Swimsuit
- Athletic attire for afternoon activities
 - if you have a favorite sport ball (soccer, football, etc.) feel free to bring it!
- Proper shoes for certain laboratory activities (heels and toes must be covered)
- Snacks (non-perishable) and drinks
 - (the cafeteria is all-you-care-to-enjoy, but you may like to have snacks in the evening)
- Pack of cards, small board games, etc.

Other Notes

Download GroupMe on your phone so that you are able to communicate with counselors and staff throughout the week. Mobile phones, handheld video games, laptop computers, tablets, etc. are allowed at camp but are the **sole responsibility of the camper**. Campers are responsible for all of their own belongings, and the camp staff and counselors are not responsible for lost or damaged items.

We look forward to meeting you in June.

Sincerely,

Associate Dean, College of Engineering
Director of Pre-College Engineering Programs
Bucknell University
Lewisburg, PA 17837
