

TRANSFER CREDIT SUMMARY SHEET

To be completed by the applicant — this is not an official record.

List on this sheet all post-secondary courses completed and those which you expect to complete before matriculation at Bucknell. If you have attended more than one college, provide complete information on each, using a separate sheet for each institution attended. This does not replace an official transcript of your college work, but simply assists Bucknell in making a more complete and accurate evaluation of your prior study. **Copies of course descriptions for each course must be submitted to transfer@bucknell.edu. Full syllabi are only needed for all English, chemistry, education, engineering and economics courses.**

(continued on next page)

* In grade column, use the letters IP to indicate courses in progress.
 ** Tentative transfer evaluation will be indicated by Registrar's Office at Bucknell.
 *** For schools on a semester hour system, a 4-semester hour course is the equivalent of 1.0 Bucknell credit. A 3-semester hour course is the equivalent of .75 Bucknell credit; requirements are met the same as if the course received 1.0 credit. For schools on a quarter hour system, a 6-quarter hour course is the equivalent of 1.0 Bucknell credit. A 4.5-quarter hour course is the equivalent of .75 Bucknell credit; requirements are met the same as if the course received 1.0 credit.
 **** Not every requirement listed can be used for one course. For instance, one course cannot be used to satisfy both NMLG and LBSC. For more details on requirements, please visit the Faculty FAQ at bucknell.edu/ccf. A transferred course may be submitted for approval to satisfy requirements not currently listed above.

TRANSFER CREDIT SUMMARY SHEET SUPPLEMENT

Did you earn any Advanced Placement (AP) credits? Yes (Please list below) No

NAME OF EXAM	SCORE ON AP EXAM	BUCKNELL CREDIT	REQUIREMENTS SATISFIED

Official score reports must be sent from the College Board (collegeboard.org) for you to receive credit from Bucknell University.

AP credits cannot be used to satisfy Learning Goals, LBSC, CCFL or any of the Tools for Critical Engagement, even in cases where the credits transfer as a direct equivalent of a Bucknell course.

Any transferable AP credit is equivalent to 1.0 Bucknell credit.

AP credit will not be granted if transfer credit for the same coursework is granted via transfer credit (i.e. MATH 201 for a qualifying AP score will not be given if the student also transfers credit for MATH 201).
