

The Office of Residential Education strives to cultivate supportive and mutually respectful living communities by extending and facilitating learning and growth outside of the classroom. We challenge and empower residents to think critically, reflect continuously and identify their purpose at Bucknell and beyond. As educators, we seek to create an engaging environment that promotes the following competencies:

Community Development Plan: Competencies

Campus & Community Engagement	Academic Success	Social Justice & Inclusion	Personal Development	Leadership & Professional Development
<p>Seeks to provide opportunities for students to develop deeper connections to the Bucknell and the wider community and understand the meaning of being a good citizen in those communities.</p>	<p>Seeks to provide opportunities for students to successfully transition to college level academic work.</p>	<p>Seeks to provide students with opportunities to challenge perspectives and gain support.</p>	<p>Seeks to provide students with opportunities to enhance understanding of self and others.</p>	<p>Seeks to provide students with opportunities to garner and apply skills to develop their leadership and professional identity.</p>
