

Bucknell University
Graduate Studies Financial Aid Application
Academic Year 2016-17

Application Deadlines:

- **February 1** (January 1 for International students)- fall semester enrollment—merit based financial aid applicants -all supporting materials must be included with application

Financial Aid

Merit based financial aid in the form of assistantships is available through the University. To apply for this financial aid, the Graduate Studies Financial Aid form must be returned with your application. **All financial aid recipients must maintain a 3.0 cumulative GPA.**

Graduate Assistantships include a stipend and tuition remission and are available in the Animal Behavior, Biology, Chemistry, Education, English, Mathematics and Psychology programs and all the graduate level engineering disciplines. Compatibility with faculty research is given particular consideration.

Date_____

Applications must be made annually; **awards are not automatically renewed.** Aid is not available for non-degree graduate students (GRND).

1. Name _____
Last First Middle

2. Address _____

Email _____ Phone _____
