## Number of Degree-Seeking Undergraduate Students by Major

First, second, and majors outside of the degree are included

Fall counts indicate the number of majors as of the fall census day. Spring numbers indicate number of majors as of the end of the spring semester. These numbers should not be added together.

## Undergraduate Class Size

To calculate class sizes, we used the Common Data Set (CDS) definition which is used for our external reports to college guides and rankings.

A class section is an organized course offered for credit, identified by discipline and number, meeting at a stated time or times in a classroom or similar setting, and not a subsection such as a laboratory or discussion session. Undergraduate class sections are defined as any sections in which at least one degree-seeking undergraduate student is enrolled for credit. Exclude distance learning classes and noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Exclude students in independent study, co-operative programs, internships, foreign language taped tutor sessions, practicums, and all students in one-on-one classes. Each class section should be counted only once and should not be duplicated because of course catalog cross-listings.

## Undergraduate Off-Campus Experience by Program

Data Source: From Bucknell Data Warehouse pulled by Cognos as of 11/16/2023

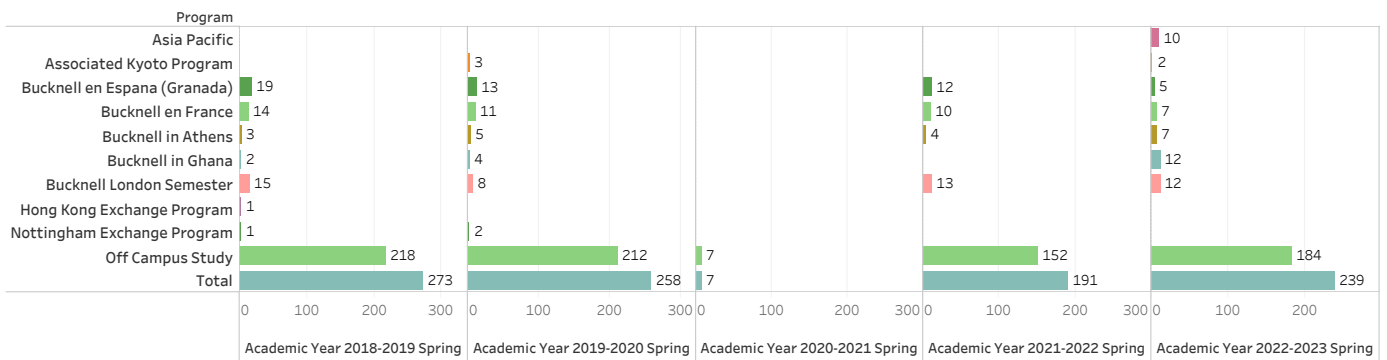

Off-Campus Study numbers were retrieved from the student record system named Horizons. Due to COVID-19 in 2020, all of the students had to return to the U.S. early in 2020 spring, and no students studied off campus in 2020 summer.

### Undergraduate Off-Campus Experience by Program Spring Term (2018-2022)

### Undergraduate Off-Campus Experience by Program Summer Term (2018-2022)

Due to COVID-19, no students studied off campus in 2020 and 2021 summer.

### Participation Rate of Off-Campus Experience by Graduating Senior Class

\* Off campus experiences exclude main campus study and non traditional study. This is an unduplicated count. Since some summer off campus programs do not require registration, listed number may not include students who had those summer experiences.

\*\* Total number of graduated seniors is based on a 12-month time period beginning July 1 of the previous calendar year and ending June 30 of the current calendar year, which is consistent with IPEDS reporting. The total number indicates seniors who graduated in July, January, and May at Bucknell.

### Student Greek Participation Trend Over Five Years

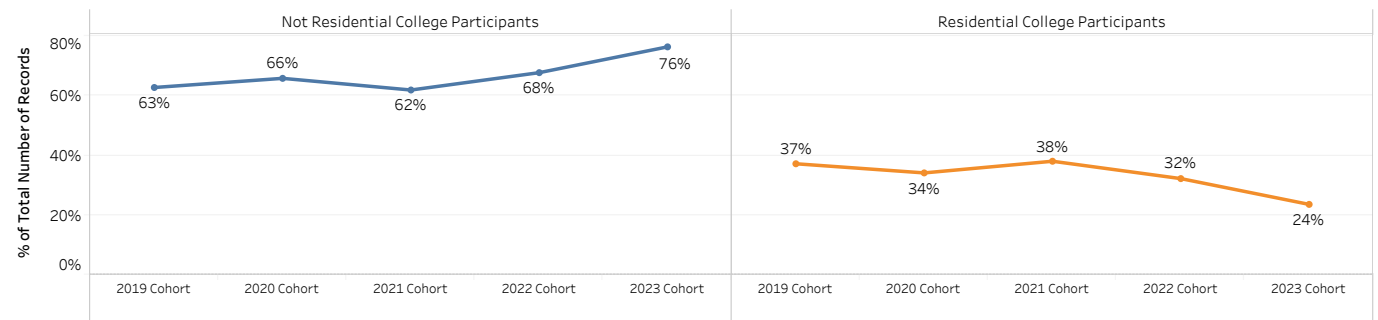

The Residential Colleges are themed living-learning communities tied to a first-semester class, in which students live and learn with their peers who share similar interests, and participate in off-campus trips and weekly Common Hour discussions led by faculty mentors. Bucknell residential colleges include Arts College, Discovery College, Environmental College, Food College, Global College, Humanities College, Languages & Cultures College, Social Justice College, and Society & Technology College. Social Justice College was closed in 2023 fall due to the low enrollments.
