Career Advancement

Class of 2022

GRADUATE *outcomes*

The following report presents the results of an extensive survey and information gathering process conducted by the Center for Career Advancement to obtain postgraduate information for Bucknell University's Class of 2022. In accordance with guidelines of the National Association of Colleges and Employers (NACE), the data collected provides a snapshot of students who graduated in the Class of 2022, which is defined as those that graduated in Summer 2021, Fall 2021 and Spring 2022.

The statistics provided are based upon information that consists primarily of survey responses from graduates and also includes knowledge gained through faculty/staff reporting and other sources such as LinkedIn. Our targeted nine month outreach is initially accomplished in person at the annual cap and gown distribution followed by multiple outreach efforts such as email, telephone and text message to secure or confirm information..

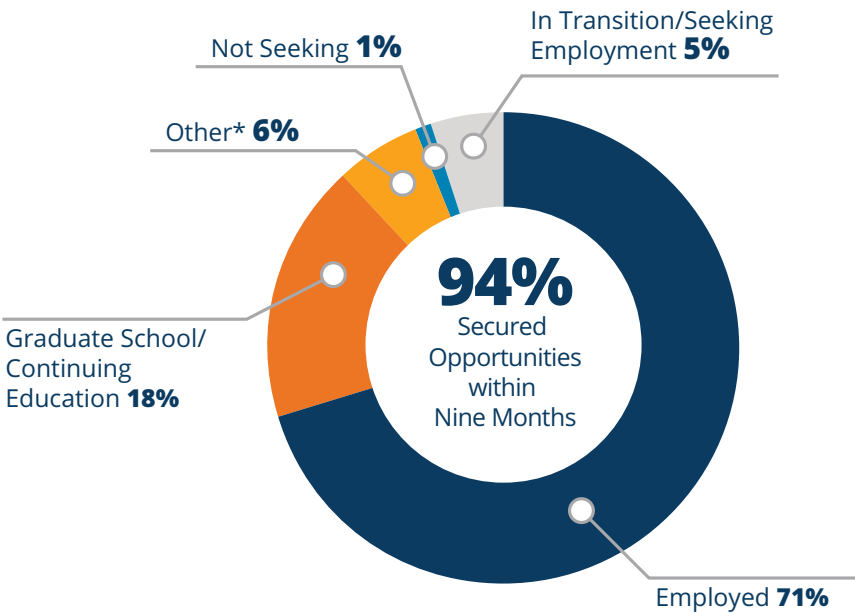

On the following pages you will see class highlights and college and departmental summaries that showcase how the value of a Bucknell education has enabled our graduates to obtain meaningful and purposeful experiences in their initial career pursuits.
